

CERTIFICATE OF CONSTANCY OF PERFORMANCE

2204-CPR-0374.1

In compliance with *Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

STRUCTURAL BEARING. POT BEARING

Trade mark: TENS POT TP

manufactured using an elastomeric pad of the compound NR 290 based on natural rubber (NR) as the raw polymer and accumulated slide path of 1000 m, diameter of the elastomeric pad less than or equal to 1300 mm
as fixed bearing, guided bearing or free sliding bearing in accordance with types 2.1, 2.2, 2.3 as per EN 1337-1, with minimum operating temperature of -25°C and maximum operating temperature of either +50°C as fixed bearing or +48°C as sliding bearing

Intended use: buildings and civil engineering works where requirements on individual bearings are critical

Placed on the market by **TENSACCIAI S.r.l.**,
Head office: **Via Pordenone 8, 20132 – Milan, ITALY**,
and produced in the manufacturing plants detailed in the annex no. 1.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-5:2005

under system 1 for the performances set out in this certificate are applied and that the factory production control, conducted by the manufacturer is assessed to ensure the constancy of performances of the construction product.

This certificate was first issued on **24th November 2015**, modified at **19th December 2018** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Executive Director,
Dipl.Eng. Genica ANTOHE

Professional Valuer,
Assoc.Prof.Dipl.Eng. Aurelia MIHALCEA, PhD

* This certificate is valid only together with annex.

19th December 2018
